More than 100 Sarah Reed Senior Living residents will soon have twice the space when an \$18 million addition is complete at the West 22nd Street facility between Sassafra and Myrtle streets.

Most residents will have private space along with new therapy, recreation, kitchen and courtyard areas.

Ground was broken ceremonially in July 2015; pending occupancy permits, a public open house is planned for June 4.

By the numbers

104 new rooms

106 current beds

47,456 square-foot addition

What they said

"We are excited to offer a better quality of life for our residents. The new areas will enhance our therapy and rehabilitation programs and the new courtyard will allow us to be outside more."
